Bering Sea Snow Crab Harvest

Alaska Board of Fisheries

Kodiak Finfish Meeting (January 10-13, 2017)

Comment Deadline – December 27, 2016

Proposal 278 – Amend the Bering Sea District Tanner crab harvest strategy to remove the mature female Tanner crab biomass threshold for opening the fishery and remove provisions allowing a harvest in waters east of 166° W. long., (5 AAC 35.508).
