## Council accepting late comments on E1 Ecosystem Research Workshop

The Council has scheduled a discussion of the Ecosystem Research Workshop and potential next steps under agenda item E1 of the February Council agenda. To accommodate people who may not be able to testify in person, we are accepting written public comments on this agenda item only through close of business Saturday, February 10<sup>th</sup>. If you would like to provide written comments, please **email them directly to Diana Evans ([diana.evans@noaa.gov](mailto:diana.evans@noaa.gov))**, or provide her with a hard copy, and she will compile them for Council review.
